Waiting for Interview

Check on parole release date. If 2011 (per client), ready for expungement. If 2013 (per records), wait 1 year on felony trafficking. Assault on LEO not eligible

Case 1 - 16CR039997-01 Release Date 05/02/2013

Release date says "OCN 05/02/2013; assume this is a release date that is about seven years after sentencing. Says released from parole in 2011. Advised that Assault on LEO is not expungable per statute

Charge 1 - 565.082 Assault On Law Enforcement Officer - 2nd Degree. Felony B Please Expunge
Applicant says this will help with finding housing

Charge 2 - 195.223 Trafficking In Drugs In The Second Degree. Felony B Convicted

Case 2 - 16CR030999-01 Release Date 08/16/2011

Incarceration Record for the previous crime, perhaps. Refers to "Missouri Department of Corrections." A note here. If we are seeing these type of cases where someone has three iterations of the same case, we need to be sure we are not assuming people have a complex case. Note from Ellen, Assault, Law Enforcement Officer not expungable.

Charge 1 - 565.082 Assault On Law Enforcement Officer - 2nd Degree Misdemeanor B

Should we have a expand/collapse all buttons?

Are there advantages to seeing all of the detailed info at once from the point of view of the attorney reviewing the files? It seems as though there would be too much information to even see in a screenful. They would have to scroll down or click anyways to view more. (Renee)

Should we add the ADD Case and Charge buttons to this?

It seems like a logical place to put that type of button. (Renee)
